

Kosciuszko Gameshow

Kosciuszko National Park

Location

Kosciuszko National Park straddles the highest part of the Great Dividing Range and protects tableland, montane, sub alpine and alpine ecosystems, glacial landforms, limestone caves, the headwaters of major rivers, most of the NSW snow country and Australia's highest peak, Mt Kosciuszko. The park is home to rare, endangered and endemic plants and animals including the Mountain pygmy possum and Corroboree frog and is important for recreation especially the snow sports.

About this program

Gather and record information about the natural and cultural heritage of the Snowy Mountains from the information displays in Kosciuszko Education Centre and use information to compete in a television-style game show. The students on stage are supported by their team. Work sheets are sent back to school. After the Gameshow the students explore the hands-on, interactive displays in the Kosciarium.

Objectives

Students will:

- locate and record information from displays
- participate, cooperate and assist in an activity
- support team members as they recall and relate information
- arrange information, assemble models and solve puzzles

Program outline

Meet at Kosciuszko Education Centre

Introduction to staff, Centre and program	5 mins
Students record answers to their work sheets	15 mins
Students compete in the Kosciuszko Gameshow	50 mins
Introduction to the Kosciarium activities	10 mins
Students explore the Kosciarium displays	40 mins

Resources

Kosciuszko Education Centre houses displays that are relevant to the school HSIE and science syllabus.

Safety information

Location:

Kosciuszko Education Centre
Kosciuszko Rd
Sawpit Creek

Staff Accreditation:

Discovery Rangers have current Senior First Aid accreditation, are competent in the activity they are leading, experienced working with groups of students in the natural environment, have excellent knowledge of the specific areas they are working in and are aware of the potential hazards of the location. Discovery Rangers have been screened for child-related employment and have completed a Prohibited Employment Declaration.

Emergencies:

Discovery Rangers are trained to deal with emergencies and emergency procedures are in place. The emergency evacuation area is located at the Kosciuszko Education Centre. Discovery Rangers have been instructed to call an ambulance whenever there is any doubt as to the continued well-being of a student or other visitor. Ongoing supervision of a student following first aid treatment will be the responsibility of the visiting school.
